

### **REMARKS**

Claims 1-6 and 8-23 are pending. Claims 1 and 12 have been amended. Claim 7 has been cancelled. Claims 18-23 are newly presented. Reconsideration and allowance of the present application based on the following remarks are respectfully requested.

#### ***Information Disclosure Statement***

With regards to the Examiner's comments on Information Disclosure Statement, Applicant herewith submits English abstracts of the two Korean patent applications included in a new Information Disclosure Statement.

#### ***Claim Rejections Under 35 U.S.C. § 112***

Claim 12 was rejected under 35 U.S.C. § 112, second paragraph. Applicants have amended claims 12 to correct the typographical error (i.e., claim 12 should have depended from claim 10, not claim 1). Accordingly, Applicants respectfully request reconsideration and withdrawal of this rejection.

#### ***Claim Rejections Under 35 U.S.C. § 103***

Claims 1-3, 5, and 6 were rejected under 35 U.S.C. §103(a) over Dabak (U.S. Patent No. 6,862,275) in view of Aihera (U.S. Publication No. 2002/0122557). Applicants respectfully submit that is rejection is moot in view of the amendment to claim 1 to include the subject matter of claim 7, which was indicated as containing allowable subject matter.

#### ***Allowable Subject Matter and New Claims***

Claims 18-23 are newly presented, fully supported by the originally filed specification and believed allowable over the prior art of record at least because claims 18-23 include the subject matter of original claim 4, which the Examiner indicated contained allowable subject matter.

Applicants appreciate the Examiner's indication that claims 4 and 7 contained allowable subject matter and that claims 8-11 and 13-17 were allowable. However, in view of the foregoing, Applicants respectfully submit that all of the claims (claims 1-6 and 8-23) are in condition for allowance.

**Conclusion**

Therefore, all objections and rejections having been addressed, it is respectfully submitted that the present application is in a condition for allowance and a Notice to that effect is earnestly solicited.

Should any issues remain unresolved, the Examiner is encouraged to contact the undersigned attorney for Applicants at the telephone number indicated below in order to expeditiously resolve any remaining issues.

Respectfully submitted,

MAYER BROWN ROWE & MAW LLP
